

Help Design A New Newton Town Centre!

Public Consultation Sessions
June 2-4, 2009

Please join the City of Surrey and TransLink on June 2, 3, 4 in the next phase of public consultation for the Newton Town Centre, Land Use, Urban Design and Transportation Plan. Help the project team as they create a new plan for the Newton Town Centre core. The new plan will guide the development of a mixed-use, high-density, transit-oriented town centre, fully integrating new and enhanced transit facilities into a high quality, safe, vibrant and sustainable urban centre.

Public Workshop:

Date and Time: Tuesday, June 2nd, 2009
6:15 pm to 9:00 pm

Location: Newton Arena
7120 - 136B Street (*Dogwood Room*)

Join the project team as they present the land use, transportation, and economic context of the area. Participate in this public workshop and share your views on a variety of key issues that will help define a vision for the Newton Town Centre.

Workshop Agenda:

6:15 pm – 6:30 pm: Participant sign-in

6:30 pm – 6:55 pm: Project introduction & summary of results from previous public meeting

6:55 pm – 7:30 pm: Review project findings and principles

7:30 pm – 8:45 pm: Community design session

8:45 pm – 9:00 pm: Questions, comments and wrap-up

Public Open Houses:

Date and Time: Wednesday, June 3rd, 2009
10:00 am to 3:00 pm; and
Thursday, June 4th, 2009
9:00 am to 12:00 pm

Location: Unit 110 - 7320 King George Hwy
(*Located at the rear of Save-on-Foods fronting 137 Street next to the underground parkade entry*)

Drop in throughout the day and see the project team in action as they design and prepare the plan for the Newton Town Centre. Join in the design process and have one-on-one conversations with the project team members on any topics related to the plan.

Public Presentation:

Date and Time: Thursday, June 4th, 2009
6:00 pm to 8:00 pm

Location: Newton Arena
7120 - 136B Street
(*Dogwood Room*)

Come hear the project team present their initial plan for the Newton Town Centre. See how the conceptual ideas generated from the workshop and open houses are translated to specific action items and actual ideas on the ground. Review the initial concepts and elements of the plan and provide your feedback.

We look forward to your attendance at these exciting sessions.
