# International Walk to School Week

October 8-12, 2012

## Kids Ride Transit Free

Children around the world will be walking to school October 8-12 as part of IWALK (International Walk to School Week). In recognition of this fantastic event, elementary and high school students (with a valid GoCard) are invited to ride free on all TransLink services during that time.

Why free transit rides when it's called "Walk to School Week"? It's simple – both walking and taking transit promote good health and independence, while keeping greenhouse gases to a minimum.

## Plan a field trip!

Teachers are invited to take advantage of the offer to organize field trips during IWALK week.

Please plan the transit portion of your trip during "off-peak" hours – between 9:30 a.m. and 2:30 p.m.

For tips and suggestions on field trip planning, visit [travelsmart.ca/fieldtrips](http://travelsmart.ca/fieldtrips).
